

SEXUAL ABUSE AND CHILD ABUSE PREVENTION POLICY

recognizes the following items as guides in its structure with the motto of “A more sustainable world, a more sustainable Palandöken” during the operation and management of the Palandöken Destination .

- ✓ Guests who do not have a marriage certificate will not be allowed to stay in the same room in our hotel.
- ✓ If guests arrive one after another without luggage and arouse suspicion, their rooms will not be given to the same floor and necessary follow-ups will be made.
- ✓ All floors will be monitored by security cameras 24/7.
- ✓ Guests whose surnames do not match, or who cannot prove that they are father and daughter, etc., with the necessary identification information, even if their surnames match, will not be allowed into the same room.
- ✓ Necessary training will be given to front office staff on sexual abuse and child abuse.
- ✓ In suspicious situations, security forces will be contacted, all information will be shared to follow up the situation and necessary facilities will be provided.

SITUATIONS THAT ARRIVE SUSPICIOUS

- ✓ Adults or children who stand aimlessly in the lobby outside of hotel registration should be carefully monitored.
- ✓ The arrival of unusual guests in a room and their departure in a short time should be monitored.
- ✓ Situations such as male and female guests arriving at the hotel without luggage, etc. should be carefully examined.
- ✓ If there are any suspicious situations, the hotel manager should be notified and the necessary precautions should be taken.
